- (16) Tool, Alloy & Special Steel excluding Stainless Steel Sheets, Plates/Strips & Circles.

2. In the case of Prime Tinplate, licence will be issued for Tin Block and Timill Black Plate so that the Actual Users can get their requirements of Tinplates manufactured in the country subject to the availability of foreign exchange.

3. Applicants who are certified by the Sponsoring Authorities to be producers or actual users of galvanised Wire, and who are granted import licences for Billets/Wire Rods, in accordance with item 3(c) of para 1 above, may import Zinc, Sulphur etc. upto 50% of the value valid for import of Billets/Wire Rods, provided Zinc, Sulphur, etc., are available for import under the foreign exchange ceiling against which the licence for Billet/Wire Rod is issued.

4. Licences will be issued on the recommendations of the Sponsoring Authorities for all items except "Special Steel" referred to at item (16) in para 1 above, for which licences will be issued on merits after taking into account the recommendations of the Sponsoring Authority and also indigenous availability.

5. Actual Users applying for import of Steel of categories other than Black Sheet (Hot Rolled and Cold Rolled), Galvanised Sheets, Skelp, Hoops, M.S. Strips and Box Strappings should send one copy of their application, together with Treasury Challan towards the application fee, so as to reach the Licensing Authority concerned, as indicated in para 8 below on or before the date specified in para 6. Black Sheets (H. R. & C.R.) include P.C.R.C.A. Sheets, Deep Drawing quality Sheets, extra Deep Drawing quality Sheets and Tin Mill Black Plate.

6. Two copies of the Import applications for these categories should be forwarded to the concerned Sponsoring Authority by Actual Users so as to reach him on or before the 15th June, 1966.

7. The Sponsoring Authority shall retain one copy of the application and forward the other copy of the application with his recommendation to the concerned licensing authority. The Sponsoring Authorities should ensure that applications together with their recommendations are forwarded to the Licensing Authority by the date which will be intimated to them in due course.

#### 8. Licensing Authority,

#### Jurisdiction

(i) Iron & Steel Controller, 33, Netaji Subhas Road, Calcutta.

9. Imports of Black Sheets (Hot Rolled and Cold Rolled), Galvanised Sheets, Skelp, Hoops, M.S. Strips and Box Strapping will be canalised through the Minerals and Metals Trading Corporation of India Ltd., Express Bldg., Mathura Road, New Delhi.

10. In respect of the canalised categories, Actual Users should apply separately, and send one copy of the application to the Licensing Authority as indicated in para 8, two copies to the Sponsoring Authority, and one copy to MMTC, New Delhi. Copies of the applications should reach these authorities by the 15th of June, 1966. No Treasury Challan need be attached initially. If a challan is required later, it will be called for by the licensing authority.

11. On receipt of intimation from the Sponsoring Authority regarding the quantity, value and source of foreign exchange allocation recommended, the MMTC, New Delhi, will inform each applicant of the recommendations received in their favour and call for details regarding the specification and quantity required by the applicant within the value recommended by the Sponsoring Authority. The MMTC will also obtain the agreement of the Actual Users to the price at which steel will be made available. If, however, this agreement is not received by the MMTC within fifteen days of their offer, it will be construed that the applicants are not interested in the imports and necessary action may be taken to re-allocate the foreign exchange. On receipt of the required particulars MMTC will arrange for import and distribution of the material to the concerned units in accordance with the recommendations of the Sponsoring Authority.

In cases where the Sponsoring Authority has recommended import of canalised categories of steel against U.S. AID Funds, MMTC will not arrange imports. In such cases, the Licensing Authority concerned will directly call for the Treasury Challan of the appropriate value from the applicant, and issue a licence.

12. The procedure envisaged above for import of canalised categories of steel through the MMTC, will not be applicable in the following cases :—

- (i) Licences issued by the C.C.I. & E. in certain specific cases;
- (ii) Direct imports where remittance of foreign exchange is not involved, such as, replacement licences, free samples etc.;
- (iii) Imports under the Export Promotion Schemes; and
- (iv) Imports by the Indian Railways.

13. Actual Users of Tool and Alloy Steel, Special Steel, Special Quality Wire including Spring Steel Wire and H.C. Wire should indicate full description of the material with chemical analysis invariably in their applications.

**SUBJECT:—Policy for export of finished steel, Billets and Pig Iron during April to September, 1966.**

*Calcutta-1, the 15th April 1966*

No. B&E/9/Pd.I/66/Steel—The Export of Rolled Steel Billets and Pig Iron as indicated below will be allowed during the half yearly period ending in September, 1966.

(1) Intending exporters of finished steel, billets and Pig Iron should submit their applications on prescribed form for export licences and entitlement of Billets (where involved) etc. to the Secretary, Steel Exporters' Association, 18, Rabindra Sarani, Calcutta-1, with a copy to the Iron and Steel Controller, 33 Netaji Subhas Road, Calcutta-1. The Steel Exporters' Asson., will scrutinise these applications expeditiously and forward the same with its view to the Iron & Steel Controller for considering issue of export licences.

(2) Contracts for export of permissible varieties of finished steel which can not be fulfilled without provision of Billets by the Iron & Steel Controller should not be entered into with a foreign party without prior clearance from Steel Exporters Association and Iron & Steel Controller. In special cases where a contract has to be negotiated at short notice and a foreign party insists on some assurance from Indian party there is no objection to the foreign party being informed that a contract will be finalised later in case an export licence is given and supplies of Billets are assured, by the Controller. If any contract and/or firm commitment is made without prior clearance from the authorities mentioned above such contracts will not be considered, and the exporter concerned may be debarred from obtaining any export licence in future for a specified period.

(3) Export of finished steel will be allowed to any person, firm, Joint Stock Company, Association, body or other Corporation etc., provided they are members of the Steel Exporters' Association and provided the f.o.b. realisation is not below floor prices as may be fixed from time to time by the Steel Exporters' Association for various items and for various regions.

(4) Export licences for finished steel would also be considered if the application is submitted with a letter from a Re-roller to the effect that the materials for export will be supplied by him without any claim for additional recoupment of Billets.

(5) Materials available for export either as rolled products, Semis and Pig Iron or for fabrication of Engineering goods to be exported are as follows:—

- |   |   |
|---|---|
| (1) Structurals (Light & Heavy)                   | } Sizes, sections and specifications as may be recommended by the Steel Exporters' Association. |
| (2) Rails.  |   |
| (3) Rounds & Flats.                               |   |
| (4) Billets.                                      |   |
| (5) Pig Iron.                                     |   |
| (6) Sheets hot-rolled (10-14G) (including coils). |   |
| (7) Chequered Plates.                             |   |

SUB. :—Policy for export of finished steel, Billets and Pig Iron during April to Sept., 1966.

No. B&E/9/Pd.I/66/1/Steel—The policy for export of finished steel, Billets and Pig Iron for the Period April-September '66 by established exporters, who are members of Steel Exporters' Association has been announced under Public Notice No. B&E/9/Pd.I/66/Steel dated the 15th April, 1966. New comers may also participate in export as before to a limited extent. The new comers should submit their applications for export licences on prescribed form to the Executive Secretary, Joint Plant Committee, 18, Rabindra Sarani, Calcutta-1, with a copy to the Iron & Steel Controller, 33-Netaji Subhas Road, Calcutta-1. The application should accompany the firm offer from the foreign party. Where a foreign party insists on some assurance from Indian party, there should not be any objection to the foreign party being merely informed that in case an export licence is given a contract will be signed. Iron and Steel Controller will in scrutinising individual applications for licensing take into account the extent of foreign exchange earned in a transaction considering the prevailing floor prices.

New comers will procure finished steel from main producers or from Re-rollers without commitment for recoupment billets.
